Large industrial style studio/ event space with old factory style interior. High ceilings lots of industrial character with a massive club in the middle. Straight out of Bladerunner. One venue spread over 10,000m ² of interior space comprising of seven separate studio and event spaces in 6 acres of gated private property. The scale of this is mind-boggling. One of Londons largest creative venues. - REMOVED FROM SITE 12.07.24 - CLOSED FOR REDEVELOPMENT		Parking:	Plenty of unit parking available
